

Instructor/Professor – Department of OB/GYN – Maternal Fetal Medicine Opportunity in the Beautiful Bluff City – Memphis, TN

The University of Tennessee Health Science Center, College of Medicine, Department of Obstetrics and Gynecology, is accepting applications for an open-ranked, Instructor to Professor position, depending on experience and credentials. This is a non-tenure track position. Primary clinical responsibilities will be performed at Regional One Health.

The University of Tennessee Health Science Center (UTHSC) is the flagship statewide, public, academic health institution in Tennessee. Founded in 1911, the mission of UTHSC is to improve the health and well-being of Tennesseans and the global community by fostering collaborative and inclusive education, research, clinical care, and public service.

Join our collegial and supportive team of maternal fetal medicine physicians in the beautiful Bluff City. Regional One Health is located in the heart of downtown Memphis and is surrounded by the VA, Le Bonheur Children's Hospital, and the UT Health Science Center. The only level 1 trauma center for 250 miles, Regional One Health is committed to providing quality care for the sickest and most vulnerable patients in the community.

Regional One Health is anchored by highly respected Centers of Excellence in high-risk pregnancy, neonatal intensive care, trauma, and burn. The hospital serves as one of the largest medical and surgical teaching sites for UTHSC and is the primary clinical site for the UTHSC obstetrics and gynecology residency and maternal fetal medicine fellowship.

The Greater Memphis metropolitan area has more than 1.3 million residents, and the city ranks among those with the lowest cost of living in the country. It is home to a vibrant restaurant scene, a revitalized Downtown, the Midtown Arts District, many scenic neighborhoods, an active medical district, and a burgeoning airport in the midst of a \$214 million modernization.

Highlights:

- Regional One Health serves as one of the largest medical and surgical teaching sites for the University of Tennessee Health Science Center
- High-level ultrasound with 4-D ultrasound capabilities (approximately 15,000 per year)
- Opportunity for individual clinical specialization including fetal diagnosis and therapy, maternal surgery, critical care, and diabetes
- Departmental support for research
-

Qualifications:

- Board certified or board eligible
- Must have completed a residency program in OB/GYN

- Must have completed an MFM fellowship Program
- Applicants should have a demonstrated commitment to and knowledge of equal employment opportunity and affirmative action

A comprehensive compensation package will be offered and includes:

- Competitive Base Salary with bonus incentives
- Relocation Assistance
- Annual allowances for CME, Licensure, Dues, Subscriptions
- Health, Retirement & Vacation
- Malpractice Insurance Coverage

About Memphis, TN:

- Mid-size metropolitan city on the rise
- No state income tax
- Major/Minor League and College Sports (baseball, football, basketball, soccer)
- Family Activities: Award Winning Memphis Zoo, Shelby Farms Park, Wolf River Greenway, Memphis Children's Museum, Big River Crossing, Memphis Botanic Garden
- Top urban park system (Shelby Farms Park) in the nation covering 7,000 acres
- Excellent public and private schools, as well as colleges and universities
- International Airport and close to Nashville (3 hours), Birmingham (3 ½ hours) and St. Louis (4 hours)
