

OBSTETRICS & GYNECOLOGIC FACULTY: Wright State University, OB/Gyn Department seeks an Assistant Professor, Associate Professor or Professor in the Urogynecology Division. Duties include participation in direct patient care activities, specifically Urogynecology; participating in education/supervising medical students/residents in various settings including inpatient work, Labor & Delivery, OR and outpatient clinics. Additional time will be made available to conduct research & administrative activities.

Prior to the effective date of appointment, successful candidates must have:

1. MD, DO degree; and
2. Completed 4-Year Ob/Gyn Residency; and
3. Ob/Gyn Board Certification (or Board-Eligible[^]); and
4. Completed ABOG-accredited Urogynecology fellowship; and
5. ABOG FMPRS board candidate; and
6. Unrestricted Ohio Medical License; and
7. Federally-issued DEA License

Successful candidates will receive offers contingent upon satisfying these requirements prior to their start date.

Assistant Professor candidates must meet all requirements above by their start date, as Board Certified.

Associate Professor & Professor candidates must meet all requirements above and additional time of service and publication requirements by their start date, as outlined and governed by WSU BSOM Faculty Affairs policies: <https://medicine.wright.edu/faculty-and-clinical-affairs/policy-3a-guidelines-for-appointment-and-promotion-for-fully-affiliated-faculty>.

Must also meet criteria for each rank as outlined in the bylaws. For more information regarding the governing policies of faculty rank:

Policy
