### **University of Vermont/University of Vermont Medical Center Department of Obstetrics, Gynecology and Reproductive Sciences, Academic Gynecologic Oncology Division Faculty Position**

The Department of Obstetrics, Gynecology and Reproductive Sciences is seeking to find a full-time faculty member for a Gynecologic Oncologist position. We are looking for an individual at the Assistant, Associate, or Professor level on the Clinical Scholar Pathway who is board certified or board eligible in Obstetrics and Gynecology and Gynecologic Oncology and be eligible for medical licensure in Vermont. The ideal candidate will have an academic interest and productivity in either educational scholarship or clinical research and have excellent clinical skills in both office and surgical gynecologic oncology. The Gynecologic Oncology Division currently includes 3 attending physician providers, a physician's assistant and a dedicated nursing and office support team within a growing clinical practice. We are an active member of NRG, and our dedicated gynecologic oncology tumor board is attended by radiation oncology, pathology, genetic counselors, and research staff. As the only gynecologic oncology program in Vermont, we serve the majority of Vermont and North Country New York.

The Division of Gynecologic Oncology is an important component of The University of Vermont Cancer Center. The Cancer Center supports basic, population and clinical research activities, the latter including active participation in NRG Oncology. The Cancer Center is growing and moving toward NCI designation. There will be significant opportunities for participation in the Cancer Center.

The University of Vermont is especially interested in candidates who can contribute to inclusive excellence through their teaching, service, and scholarship. Our community embraces and advances the values of [Our Common Ground](#): openness, respect, responsibility, integrity, innovation, and justice while upholding the highest standards of [professionalism](#), driven by a passion for lifelong learning and improvement. Cultural humility, kindness, and respect form the foundations upon which the college strives to elevate professionalism in all its endeavors. Professionalism is demonstrated through integrity, accountability, compassion, altruism, and social responsibility.

Successful candidates will exhibit a strong commitment to the tenets of Our Common Ground and the principles of professionalism. Applicants are requested to include in their cover letter information about how they will enhance the impact of Our Common Ground values and professionalism, and advance inclusive excellence at LCOM and among the populations the college serves through teaching, service, and scholarship.

The University of Vermont is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, protected veteran status, or any other category legally protected by federal or state law.

Located in Burlington, Vermont, the Robert Larner, M.D. College of Medicine at the University of Vermont and the University of Vermont Medical Center serve as Vermont's only academic medical center and provides tertiary care to patients from Vermont and northern NY. Burlington is also a vibrant community located on the shores of Lake Champlain, between the Adirondack and Green Mountains. With year-round recreational opportunities, safe communities and excellent schools, this

progressive community has been frequently cited as one of the most livable cities in the U.S.

Applicants must apply online at: [www.uvmjobs.com](http://www.uvmjobs.com) under Position 00027462. Applications must include:

- CV
- Cover letter summarizing qualifications and how they will enhance the impact of Our Common Ground values and professionalism, and advance inclusive excellence at LCOM and among the populations the college serves through teaching, service, and scholarship.
- Contact information for three references

Questions about this opportunity may be directed to: Dr. Cheung Wong at [Cheung.Wong@uvmhealth.org](mailto:Cheung.Wong@uvmhealth.org).

Review of applications will begin immediately. Applications will be accepted until the position is filled. Employment is subject to a successful background check.
